It's National Cyber Security Awareness Month

Cyber threats are on the rise, but you can take simple steps to stay safe online. Protect yourself by:

- · Using strong, unique passwords for each account
- Keeping devices and software updated with the latest security fixes
- Thinking before you click suspicious emails, texts, or links

This month, NEMR is also inviting customers to share their scam stories. By sharing your experience, you can help warn others and prevent future attacks.

Stories will remain anonymous. To contribute, call the office and ask for Gracey or email mktmgr@nemr.net.

Picnic At The Point

On September 13, NEMR employees, board members, and retirees gathered at The Point at Thousand Hills State Park for a fun-filled company picnic. Everyone enjoyed a delicious meal catered by The Store Building in Unionville and a spirited cornhole tournament. Thank you to all who attended! It was wonderful to spend the day together!

NEMR had a great time connecting with the community at this year's Putnam County Fair! Visitors stopped by our booth to learn more about our fiber services, pick up some fun goodies, and enter for a chance to win prizes. Our team enjoyed answering questions, visiting with customers, and sharing all the ways NEMR helps keep our communities connected. Thank you to everyone who stopped by to say hello!
