

# THE FIBER FOCUS

November 2025 Volume 1/ Issue 11

## Capital Credit Allocation Applied to November Bills

It is that time of year again. Your cooperative, NEMR, is distributing capital credits to each of our members on the basis of how much business they have done with the cooperative in the past. The board of directors voted to distribute 15% of 2024 credits and 50% of 1995 credits for a total of around \$866,000. For your convenience; the credit has been automatically applied to your November bill. Thank you for your patronage!

## Happy Homecoming Everyone!

NEMR joined in the fun at the Milan, Putnam County, and Kirksville Homecoming parades on October 10th! Our team had a great time celebrating, tossing candy, and showing our community spirit. We're always proud to be part of these local traditions and connect with our neighbors across the area.

## Fiber Freddy's Holiday Giveaway!

Write a short poem about Fiber Freddy, NEMR, or one of our employees for a chance to win a 40" Amazon Fire TV, HP Laptop, or JBL Wireless Earbuds! These awesome prizes are perfect for streaming, staying connected, and making your holidays a little brighter. Email your poem to [contest@nemr.net](mailto:contest@nemr.net) or mail it in so it's received by December 12 at noon. Entries will be entered into a random drawing, and winners' poems will be featured on our social media and in our newsletter!

## The NEMR Team is on the Move!

Last month, NEMR employees participated in the Foundation for Rural Service (FRS) 5K Rural Run/Walk, a virtual fundraiser supporting rural communities nationwide. Some walked or ran together at Thousand Hills State Park, while others completed their 5K on their own, all proud to support rural broadband and community development.
