Taking Rural Voices to Washington

Last month, NEMR Board President Jim Kigar and Controller Kayla Blaser attended the NTCA 2026 Legislative & Policy Conference in Washington, D.C. The conference focused on key rural broadband issues to help NEMR continue providing reliable, high-quality internet in our communities.

In Your Corner for a Great Cause

NEMR was one of the sponsors of the In Your Corner Golf Tournament, which raised funds to send kids to summer camp. It was a great day of community support and friendly competition, and we're always glad to help invest in local kids and families.

Play Ball, Grow Big Dreams

There's nothing quite like summer at the ballfield—the sound of bats cracking, kids cheering from the dugout, and families lining the fences to watch it all unfold. NEMR is proud to have donated \$1,000 to each of the summer REC ball leagues featured here: Memphis, Kahoka, Schuyler County, and Milan. These are just a few of the leagues we supported this season, with more to be showcased next month. We love seeing our communities come together around baseball and softball, and we're honored to play a small part in helping kids learn teamwork, build confidence, and create memories that last far beyond the final inning.
