Capital Credit Allocation Applied to November Bills

It is that time of year again. Your cooperative, NEMR, is distributing capital credits to each of our members on the basis of how much business they have done with the cooperative in the past. The board of directors voted to distribute 17% of 2025 credits and 100% of 1996 credits for a total of around \$835,000. For your convenience; the credit has been automatically applied to your November bill. Thank you for your patronage!

Skills Competition Sponsorship

NEMR is proud to sponsor the North Missouri Basketball Skills Competition, an exciting pre-season showcase featuring some of North Missouri's top small-school high school basketball players! The event celebrates local student-athletes and gives them the opportunity to showcase their talents while representing their schools. Accepting NEMR's sponsorship were some great Green City athletes! Pictured left to right are Conner Pinkerton, Macy Jeffries, Clancy Ballinger and Zane Patterson. NEMR is proud to support local student-athletes and events that bring our communities together!

Happy Homecoming!
